

Powerfully Step Into Your New Vision

Event worksheet - Print this and use it as a guide to take notes on the content, observe where you are, and create a plan to Create your 2022 Vision.

1. Notice the challenges to successfully Stepping Into Vision, that are presented in this discussion, then note the strategies to succeed past each challenge.
2. Make note of any challenges mentioned that you see in your own life?
3. Using the information, what strategy or strategies are shared, that could help free you?
4. List one (or more) you are are seriously interested in implementing in your life.
5. Notice, if the speaker discusses something they learned in their life and how they adapted through it, allowing a Vision to manifest or become actual in their life. Often these stories help us realize we are not alone and there are great solutions around us.. We don't have to do it alone. We are supported.

*AFTER THE FINAL interview, write down the strategies you like most. Select 3 you will to move forward with and start implementing NOW. If you want help with setting up a powerful structure for your year, pop into the VIP for individualized coaching.
